FOR THE SOUTHERN DISTRICT OF MISSISSIPPI
NORTHERN DIVISION**

911 RESTORATION, LLC

PLAINTIFF

V.

CAUSE NO. 3:18-CV-00191-CWR-FKB

WHITNEY WHITE WILSON

DEFENDANT

ORDER REMANDING TO STATE COURT

911 Restoration has removed this lawsuit to federal court on two jurisdictional grounds: federal question and diversity.¹ Neither ground is fertile. Federal question jurisdiction is allegedly founded on a counter-claim, which “does not establish arising under jurisdiction.”² Diversity jurisdiction is allegedly founded on a dispute regarding \$20,488.50 exclusive of costs and interest,³ far below the \$75,000 statutory threshold.⁴ This lawsuit is therefore REMANDED to Madison County Circuit Court.

SO ORDERED, this the 29th day of March, 2018.
